June 2013

On June 6th through June 10th 2013, Special Event Station, WØW was on the air for the purpose of activate Grid Square EN48 on the 144 and 50 mhz bands, primarily for those working on the ARRL FFMA Award on 50 mhz. Our site was located in Northeastern Minnesota, along the Gunflint Trail and Canadian Border overlooking Magnetic Lake to our north and Gunflint Lake to our south.

We were successful with 457 QSO's in 178 different grids, one of which may have been yours.
